

FIELDCRAFT

BARRETT LIGHTWEIGHT RIFLE

BARRETT, REFINED.

Having spent decades perfecting firearms for defense, Barrett has set its sights on sportsmen and hunters with the ultralight Fieldcraft line of rifles. Designed to be carried long distances in the most demanding terrain, [Fieldcraft firearms](#) guarantee proven Barrett accuracy and reliability when you're ready to take the crucial shot. Its hand-laid carbon fiber stock is both lightweight and rigid, with every match-grade stainless steel barrel featuring the ideal length, twist rate, and contour to extract every last bit of performance from your chosen cartridge. With more than 10 calibers and barrel lengths to choose from, Fieldcraft has your next hunt covered.

2017 GUNS & AMMO RIFLE OF THE YEAR

BY G&A STAFF

"BARRETT FIELDCRAFT took top honors for Guns & Ammo's 2017 Rifle of the Year for several reasons. What made the new Fieldcraft stand out is its balance in offering lightweight handling and reliable, sub-minute accuracy for those headed to even the most arduous mountain ranges."

"Overall, the Fieldcraft is an exceptional design. Barrett has crafted one of the finest hunting rifles in existence and is fit to be named as this year's best."
